Weifang Release Notes

New Mexico – Assessment of Science Readiness
November 2024

The following features are included in the most recent release of Kite® Educator Portal.

New features:

➢ **SSID Added to Enrollment Upload Alert File** - The State Student Identifier is now included on the enrollment upload alert file when a student has another active enrollment in another school.

Updated features:

➢ **Test Coordination Update** - Test sessions for the ASR will now be found under the Test Coordination section of the Manage Tests tab. There are no changes to which roles can view test sessions.

➢ **NM-ASR Item Analysis Report Extract** - The Item Analysis Report extract has been updated to display the school mean score, district mean score, and state mean score for all users who have access to this report.
